

General Notes:

- 1) All dimensions provided are nominal and used to communicate the design intent; it is the responsibility of the dealer to confirm all actual dimensions with the manufacturer.
- 2) Dealers are responsible for the accuracy of all quotes received from manufacturers and shall confirm that all specifications are properly represented.
- 3) Dealers shall verify all applicable and/or critical building conditions before furniture fabrication and installation. Dealers shall notify the owner of any discrepancies immediately upon discovery.
