

**Forsyth County Public Library
Request for Bid—Post Road LED Lighting Upgrade**

**Addendum #1
06/22/2022**

This addendum corrects the voltage for the existing lights.

On page 4 of the RFP, under Scope Narrative, the second bullet point should read:

- Internal lights are 120 volts and will need to be 4000K LED, parking lot lights (owned by library) are 120 volts and will need to be 4000K LED and exterior building lights are 120 volts and will need to be 4000K LED.
